## Customer Reviews

Average Rating: 4.5

4.5  
 I can't say enough about this product! It is absolutely, AWESOME! This product holds my fine hair in place EVEN in

humid and windy weather without that stiff, sticky feeling and NO residue or flakes that some products leave behind!!! It's also great to spray on before blow drying if you want added height! I HIGHLY RECOMMEND!!!

-- Anonymous on February 3, 2008

Strong holding hairspray that can create volume at the roots!

-- Anonymous on January 1, 2008

I LOVE this! Was using MINK but this is so much better. Holds my fine long hair out of my face and I can't say enough about this spray, I will use this from now on.

-- Anonymous on November 23, 2007

Its just great for fine thin hair.

Been searching and this is the best to keep hair in place.

-- DONNA, Baltimore, MD on June 18, 2007

Absolutely fabulous. I have very fine hair, and it's very long. I'm in the entertainment industry, so I need it full and luscious looking. The only thing for me, is that I use a lot, so I was losing more hair in the shower, than usual. So now I first use Jonathan's Dirt (great stuff), then the "Big Sexy Hair" Hairspray, then finish it off, or touch it up during a performance, with "Shaper" (my constant, for 20 years) that doesn't damage. Just some hints.

-- Anonymous on April 27, 2007

This will be the only hairspray I ever buy from now on. I doesn't flake, it hold my straight thick asian hair in place. Awesome stuff.

-- Anonymous on April 13, 2007

I bought a small bottle of this on eBay before buying the full size. This is one of the best hair sprays I've found - and believe me, I've been through many hair products trying to find something that works. It holds hair in place without weighing it down. That's important considering I have oily, fine hair. It also doesn't contribute to extra oil - something I've had problems with in the past. It holds all day at work. Perhaps the best thing is that if I change my mind in the morning I can easily brush through it and respray and it still looks just a great. I highly recommend this. I'm purchasing the full size bottle today.

-- Anonymous on April 1, 2007

This is a great product. I have very fine hair and this product keeps my hair in place all day. Just a light spraying does the job.

-- Carol, Richmond, CA on March 18, 2007

I decided to order this hairspray and I am glad that I did. It works really well, and I don't find it to be stiff, but I only spray lightly and that is all it needs as it just holds great. My hair stays like I

- Patricia, Danville, VA on February 10, 2007
- ☆ ☆ ☆ ☆ ☆ I will never buy any other hair spray. I love this stuff.
- Jennifer, Bakersfield, CA on January 25, 2007
- ☆ ☆ ☆ ☆ ☆ I really feel as if I have been waiting 40 years for this product. It does not go on that differently from other sprays in the morning, but it is the first product I have ever used that holds all day. It seems as if my hair gets better as the day goes on. In the past, I would feel pretty good until I looked into a mirror after an hour and saw flat hair. It is not stiff. I have seen other products I like go off the market, so that worries me a bit!
- Anonymous on November 29, 2006
- ☆ ☆ ☆ ☆ ☆ I love this spray and the Root Pump also. One problem. It sometimes makes my face break out with hard bumps. Not exactly like zits. After all, I'm 50+ years old. Is there one particular ingredient that may do this? Anyone know?
- Betty on July 29, 2006
- ☆ ☆ ☆ ☆ ☆ I use the Spray and Play Harder and boy, this stuff is awesome! I have been looking for a hairspray that holds all day and that doesn't flake or fall after a couple of hours. Well I have found it. I love this hairspray! This is a keeper.
- Anonymous on October 24, 2005
- ☆ ☆ ☆ ☆ ☆ The BEST hairspray I have ever tried, and I have tried many! It holds like no other, yet is not sticky or "crunchy" on your hair. I no longer use anything else!
- Anonymous on September 4, 2005
- ☆ ☆ ☆ ☆ ☆ I have to rate it four stars in terms of its hold, but man oh man, this stuff is like cement. Now mind you, some of us girls like to use crazy glue on our hair, but some of us prefer to actually be able to brush our hair after using hairspray. So just be warned, this stuff is POWERFUL!
- Elizabeth, San Jose, CA on July 25, 2005
